

## **CLOTHING AND DORMITORY NEEDS FOR SUMMER STUDENTS**

Summer study at Southwestern is relaxed and informal. As always, however, Southwestern expects students to have pride in our school and the community. The school insists on cleanliness and a neat appearance at all times, both in classes and during recreational or free time.

This suggested list will allow for sufficient changes between laundry times. Please be certain that all clothing and bedding is carefully marked with the student's name. Sheets, mattress covers, pillows, a blanket, and towels may be purchased near campus after arrival if you prefer. Dorm counselors will help with any needed purchasing.

Everyday school dress in the summer is shorts and a tee or polo shirt. Girls may wear skirts or dresses if they wish, and boys may wear trousers. All clothing must be neat and in good taste. Clothes may not have offensive slogans or pictures, including advertising for alcohol, tobacco, or illegal products. This applies at all times, including off-campus trips. Shoes or sandals must be worn at all times, though no platform or high-heeled shoes may be worn.

Students may wish to bring dressier clothing for occasional visits to restaurants or evening events during the summer, though southern California and the Sedona region of Arizona is seldom formal during summers. A swimsuit or two is important, as there are many trips to water-sport activities, beaches, streams, and swimming pools. Surfing gear can be rented at the California beaches.

Student rooms are equipped with beds, desks, a dresser or wardrobe, and a desk chair. Students may wish to bring a desk lamp, a radio or stereo, and/or a small fan. No freestanding floor lamps, Halide lamps, or heating/cooking equipment are allowed.

Students should NOT bring expensive stereo or music equipment. These are available on campus. Do not bring other valuable items or any money over \$20. The school office will keep passports and larger amounts of money in a safe place.

Other optional items according to interests include:

Camera and film - sunglasses - tennis racket - golf clubs - art supplies (sketch pad, pencils, etc.) - small computer games - fishing tackle

**NOTE:** Cooking or heating appliances (rice cooker, hot plate, refrigerator, etc) or extension cords are absolutely NOT ALLOWED by fire and health department rules. No weapons or knives may be brought under any circumstances.

Small quantities of snack foods and drinks may be kept sealed in student rooms, but not opened or eaten in the rooms. Wrapping materials, crumbs, and empty drink containers must be disposed of carefully and not left lying around, as they draw insects, ants, and rodents.

## **WHAT TO BRING TO CAMPUS FOR OUR SUMMER SESSIONS**

**Six sets underwear  
Six tops/T-shirts  
Three pair shorts or slacks  
Two pair jeans  
Two pair pajamas or sleepwear  
Two or three swimsuits or cutoffs for swimming  
Two pair shoes  
One pair shower thongs  
One pair sandals  
One bathrobe  
Two light sweaters or sweatshirts  
Set twin bed sheets, pillow, mattress cover, pillow cover  
One light blanket  
Three bath towels and washcloths  
Laundry bag  
Any personal medications or health needs**

**TOILETRIES:** soap, shampoo, toothpaste, toothbrush, comb, insect repellent, lip balm, sun screen (at least SPF 15, higher recommended - the Southwestern summer sun can burn easily).

**ADDRESS BOOK:** for your postcards, e-mail, or letters to family and friends.

**SCHOOL SUPPLIES:** you do not need to bring pens, pencils, paper, etc., as the teachers will provide these. A good English dictionary is helpful. Bring any special textbook that you may need to review if you are taking a makeup class.

### **ADD FOR ARIZONA CAMPUS SOUTHWESTERN ADVENTURES:**

*Remember that many Arizona activities take place outdoors!*

**Sleeping bag  
Flashlight  
Hiking shoes or boots  
Backpack  
Water bottle or canteen  
Western riding clothes, if desired**

*Remember to mark everything clearly and permanently with your name!*
